

Flight Booking Instructions & Terms & Conditions

Thank you for booking with Perry Air.

To ensure that you have an enjoyable and SAFE flying experience, all our flights are subject to weather conditions – dictated by the duty instructor on the day.

- On the day of your flight, please call the office, on +44(0)1273 463 081, 30 minutes before you leave for Shoreham, to confirm the weather conditions are suitable for flying. (Please note this is our very best guess at the weather to come and not a definite commitment to fly, merely our attempt to save you a journey if the weather is unsuitable for flying.)
- Office hours are 10:00-17:00 Monday-Sunday.
- On the day of your flight you will be asked to present your voucher. Please ensure you have a printed hard-copy - e-vouchers must be printed. We cannot accept an e-voucher on a smart phone or similar device.
- Please aim to be with us approximately 15 minutes prior to your flight.
- It's essential that you wear sensible clothing; trousers and flat-soled enclosed shoes are a must. No high heels or flip flops.
- Regrettably it is not possible to take cameras on any flights in the open-cockpit aeroplanes.
- Small pocket cameras with a wrist strap may be taken on flights in the enclosed cockpit aircraft.
- Please note - if you cancel your flight, for any reason, within 5 days of your scheduled flight, we are obliged to charge a cancellation fee of £ 30.00 to cover the cost of setting up your flight and engaging an instructor. We are also obliged to charge £30.00 if you decide to redeem your voucher for another experience.
